Dear Yvonne M. Hammes:

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2020-229-E - Dominion Energy South Carolina, Incorporated's Establishment of a Solar Choice Metering Tariff Pursuant to S.C. Code Ann. Section 58-40-20 (See Docket No. 2019-182-E)

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscription at this link: <https://dms.psc.sc.gov/Web/Email>; or you can specifically follow Docket No. 2020-229-E at this link: <https://dms.psc.sc.gov/App/Dockets/Detail/117571>

If we may be of further assistance to you, please do not hesitate to contact us.

Sincerely,

Becky Latimer

1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I recieved a letter and as I wish to say that Dominion needs to go back to the drawing board on this topic.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

The Dominion proposal would add roughly \$650 in new mandatory annual fees to the bill of a typical solar customer. The newly proposed " subscription fee " is effectively a new solar tax that is on top of Dominion ' s move to more than double the existing customer charge for solar-panel owners.

In addition, Dominion is proposing a drastic cut to the bill credits offered to solar owners for the excess electricity they put back on the grid, which Dominion then sells to others for a profit. Under current rates, rooftop solar customers receive a dollar-for-dollar credit, but Dominion ' s new proposal would slash that.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

I am happy to do a virtual meeting, but can not attend in person due to the pandemic.
